

Delaware Volunteer Fire Service Revolving Loan Fund Application

The Delaware Volunteer Fire Service Revolving Loan Fund was established to upgrade equipment and improve facilities that are essential to providing adequate fire, rescue, emergency medical and technical emergency response related service to Delaware communities. Loan funds are limited and are not available for equipment that has already been delivered or for the expansion of facilities and parking that has already been completed. For consideration, equipment and expansions must be deemed necessary to provide adequate fire, rescue and emergency medical and technical emergency response services to the surrounding community by the Delaware Council on Volunteer Fire Service. See the Program Guidelines for additional information.
